Bachelor of Arts, Georgia State University
Emphasis Communication and Marketing

Languages: Arabic, intermediate proficiency

SKILLS

WRITING

IACP award-nominated journalist with a wide stylistic range including academic, consumer magazine, digital, and book-length nonfiction and a proven track record of hitting tight deadlines.

EDITING

Fast, efficient editor with ample experience developing new writers, directing content, editing reviews, articles, and feature-length stories for both print and web.

DESIGN

Producer and stylist for international, environmental photo shoots and studio shoots and consulting editor for print and web layouts and re-designs.

RESEARCH & REPORTING

Former research chief for a nationally acclaimed cultural publication, responsible for tracking down sources for all international stories, re-reporting stories when necessary, and training and reviewing the work of eight fact-checkers to ensure the accuracy of all printed content. Primary researcher for the first English-language culinary history of Oman, reported through firsthand investigative interviews as well as archival research.

RECENT PROFESSIONAL EXPERIENCE

Executive Features Editor 5.2015-Present
Times of Oman

Oversees the editorial production of weekly magazines *Thursday* and *Hi*. Works with the editorial teams to develop engaging, international-quality journalism and story telling and develops strategies for new publication launches and special editorial projects.

Author & Freelance Features Writer 2008-Present
Various

Researched, designed, and wrote *The Food of Oman: Recipes and Stories from the Gateway to Arabia* (Andrews McMeel, 2015), the first English-language Omani cookbook and culinary history. Regularly contributes feature articles to *Saudi Aramco World*, *Saveur*, *Departures*, *Fodor's*, and various other English-language publications on the topics of Middle Eastern food, culture, travel, and luxury lifestyle.

Travel Editor | Research Chief

Saveur Magazine 2012-2014

Edited and wrote print and web stories, cultivated new writers, oversaw the coordination and coverage of all travel destinations, worked on the redesign team to launch new digital travel site, and ran the research department for an internationally-focused food and travel magazine.
